Power Sports Technology

Course Description:	Teaches fundamental repair, maintenance and operation skills on engines and equipment found in the recreation, construction, lawn and garden, and transportation industries. This is an EETC certified program and test site.
Prerequisites:	none
1 Year/2 Years:	Two year
Location:	Southern Adirondack Education Center
Course Objective:	To obtain skills needed to find success in a post-secondary educational setting and/or in the recreation, construction, lawn and garden, or transportation service industries.
Course Topic Outline:	Diagnostic, troubleshooting, repair and overhaul of internal combustion engines; components related to the engines; and the equipment on which these engines are found.
Student Course Requirements:	Participation in class discussions, and learning, completion of homework and class lab assignments, safe shop practices, and passing average.
Textbooks/Materials Resources:	<i>Small Gas Engine</i> textbook, workbook, and video series <i>Theory and Principles of Engine Operation</i> A and B workbook <i>Full Cycle Honda</i> training videos Manufacturers' service materials, the Internet.
Assessments/Technical Assessments:	Unit Test, Performance Task sheets, EETC Technical Certification Test, NOCTI Performance, and Portfolio.
Grading System:	Quizzes 15% Projects 40% In-Class Assignments 20% Tests 20% Homework/Journal 5%
Attendance & Class Participation:	The WSWHE BOCES has an attendance policy that requires students to miss no more than 18 days across the school year. For those times when it is necessary to be absent, a written note from the parent/guardian will be expected the next class day. Because of the project based learning activities it is very difficult for a student to "make-up" work.
Activities/Labs/Projects/Clinics:	Activities and labs are planned around material covered in class. Projects include successfully completing multiple engine overhauls on school supplied equipment and equipment brought in by the public or students.
Student Provided Material List:	Three ring binder that will hold a cover page for portfolio, three ring binder for program material and loose leaf paper for note taking. Shop supplies needed include a pair of leather shoes (steel toes not required), work pants (no shorts), and work shirt.
Industry Certifications:	EETC Four-stroke Cycle Technician Certification, Industrial Lift Truck licensing, Arctic Cat Level 1

The future of career success starts here.

Articulation Agreements:	Each Career and Technical Education (CTE) program is geared to ready students for the world of work and for the rigors of post-secondary coursework. To that end, each program has worked with area colleges to obtain articulation agreements that allow for advance standing or the issuance of credit to those CTE students meeting all program requirements and articulation agreement standards. Currently PST has an agreement with SUNY Cobleskill.						
Related Careers/Post-Secondary Training:	Related careers include, dealership personal, Manufacture careers, such as district service, or sales representative, business owner, and mechanical engineering. Post-secondary opportunities are technical schools, two and four year colleges.						
ELA/Math Credit Integrated Academic Overview:	<p>Each Career and Technical Education (CTE) program offered at the WSWHE BOCES has five (5) major curriculum elements that students will acquire over a one year or two year period. Two (2) of the five (5) curriculum elements include English Language Arts and Mathematics. These program elements are taught using a co-teaching model, which teams the CTE subject experts and certified English and Math instructors. Topics in English and Math are tied to specific business and industry course content, which illustrates to students how academic material and business knowledge and skill relate to one another. English and Math elements are taught at the commencement level and meet NYS Standards for students to obtain one (1) credit for each over a two-year period. Program specifics are as follows:</p> <table><tr><td>Commencement Level Math</td><td>54 hours/yr</td></tr><tr><td>English Language Arts</td><td>54 hours/yr</td></tr><tr><td colspan="2"><i>1 credit = 108 hours</i></td></tr></table>	Commencement Level Math	54 hours/yr	English Language Arts	54 hours/yr	<i>1 credit = 108 hours</i>	
Commencement Level Math	54 hours/yr						
English Language Arts	54 hours/yr						
<i>1 credit = 108 hours</i>							
Career & Financial Management Credit Overview	Each Career and Technical Education (CTE) program offered at the WSWHE BOCES offers a Career & Financial Management credit to all students who successfully complete a CTE program. This curriculum element is comprised of two major parts; (A) Introduction to Occupations and (B) Nature of Industry. Part A is delivered through integrated class assignments, while Part B is automatically delivered due to the nature of CTE.						
NTHS Nominations Requirements:	<ol style="list-style-type: none">1. Maintain a cumulative CTE average of 92% or higher based upon 1st & 2nd quarter grades.2. Maintain a record of excellent attendance in CTE (9 days per year).3. Plan to pursue a career in their field of training.4. Maintain an outstanding record of employability skills as judged by the CTE instructor.5. Nomination by the CTE instructor with no reservations.6. Instructor nomination must include a yes answer to the following characteristics established by the national office: follows instructions, safety conscious, works well with others, is dependable, trustworthy, responsible, honest, takes pride in work, exhibits a good attitude, exhibits leadership, exhibits good citizenship.						
Student Affiliated Organization:	SkillsUSA						
WBL Experiences/Requirements:	Each Career and Technical Education (CTE) program has a Work-Based Learning experience more commonly referred to as an internship. This means that all students prior to the end of the second year are given the opportunity to be exposed to the operation of a business and specific job duties related to careers in their CTE area. This internship is designed to connect the skills and knowledge learned in the CTE classroom with the real world requirements of a business. Students must demonstrate good attendance, attitude, internship records, and work ethics, as well as respect for others and property.						

The Washington-Saratoga-Warren-Hamilton-Essex BOCES does not discriminate in its employment and admission to programs and activities as applicable, on the basis of actual or perceived race, color, creed, sex, sexual orientation, national origin, religion, age, economic status, marital status, veterans' status, political affiliation, domestic victim status, use of a guide dog, hearing dog or service dog, disability, or other classifications protected under federal or state law, and provides equal access to the Boy Scouts and other designated youth groups.
